

## Key investor information

This document provides you with key investor information about this collective investment scheme. It is not marketing material. The information is required by law to help you understand the nature of this collective investment scheme and the risks of investing in it. You are advised to read it so you can make an informed decision about whether to invest.

### **ZKB Gold ETF AA USD** **(ISIN: CH0047533549)**

ZKB Gold ETF AA USD is a unit class of ZKB Gold ETF (hereinafter "fund"). The fund is managed by Swisscanto Fund Management Company Ltd., Zurich, a company of the Swisscanto Group.

## Objectives and investment policy

The primary investment objective of the fund is to reflect the long-term performance of gold, after deducting the fees and incidental costs charged to the fund's assets

### **Important features:**

The fund invests exclusively in physical gold in readily saleable form. This is backed 100% by the physical metal and stored entirely in Switzerland.

Derivatives may be used for achieving the investment objective.

Fund units are issued and redeemed basically on every bank business day in Switzerland.

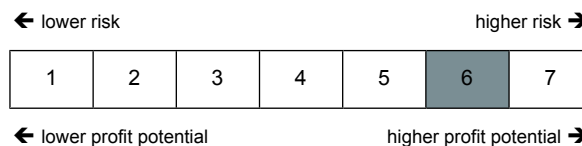

Earnings and profits of the unit class are distributed.

### **Additional important information:**

The fund does not use derivatives.

Recommendation: this fund may not be appropriate for investors who plan to withdraw their money within 5 to 10 years.

## Risk and reward profile

The historical data used for calculating the risk and profit category cannot serve as a reliable indicator of the future risk profile.

The risk and profit category shown may very well undergo changes. Assignment to a category may change over time.

The lowest risk category cannot be equated with a risk-free investment.

Reasons for being assigned to the risk and profit category:

- price fluctuations specific to the commodity market

There is no capital guarantee and no capital protection.

## Charges

The costs borne by you are used for the management of the fund as well as its distribution and marketing. The costs may impair the further development of the fund.

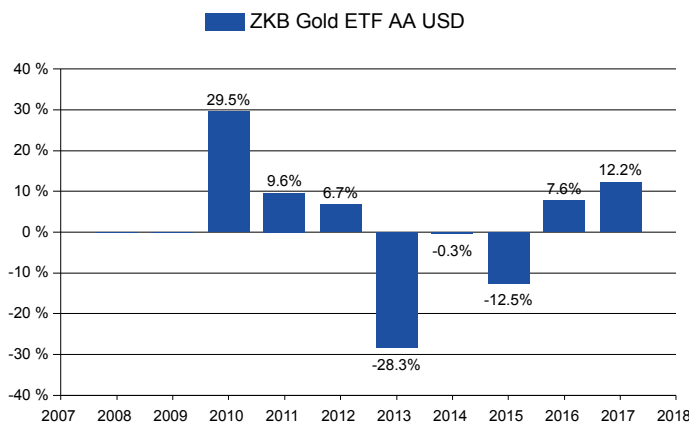

One-off charges debited before or after you invest	
Entry charge (max.)	3.00%
Exit charge (max.)	1.00%
Charges taken from the fund over a year	
ongoing charges	0.41%
Charges taken from the fund under certain specific conditions	
Fees tied to the performance of the fund (max.)	n/a

The entry charge or exit charge stated is the maximum possible charge. Actual charges may be lower. Your adviser can inform you of the actual costs.

Running costs refer to the last 12 months. Running costs can vary from year to year. The annual report contains details on costs.

For more information, please refer to the prospectus with integrated fund contract.
